READER WANTS MORE
OF PREGNANT LORNA

Dear Voluptuous,

I just wanted to comment on your DVD *Preggos & Milkers*. I have made issue on several occasions of my support for beautiful, heavily pregnant women in your magazines and DVDs, and the latest film is, without a doubt, the best yet. Shyla Shy is absolutely stunning, and the sight of her gorgeous baby belly and milkengorged breasts is simply amazing.

However, I do have a complaint. It is actually the same complaint I have with your previous DVD, *Chesty* 

Preggos 2. Lorna Morgan is, without a doubt, one of the most beautiful and erotic women ever to appear in any of your publications, and that is with her clothes on. My issue with the DVDs is that Lorna has the shortest segments in each of the films, and in neither is she completely nude. She deserves better than this, and so do her fans.

I look forward to more of your pregnant films and magazine layouts, particularly those featuring Lorna, Shyla and Kali.–D.N., Cheshire, England

# LOVE FOR NIKKI SMITH'S & ROXI'S LUSCIOUS RACKS

Dear Voluptuous,

I am a long-time reader, and I wanted to say that I have become a huge fan of the lovely Nikki Smith. I want to see much more of her voluptuous body. Watching her play with her pussy in the DVD *Ripe Racks 2* was a great treat, and so was her pictorial in the November '13 issue of Vmag. All I can say about both of these appearances is, "Wow!" What a great pair of tits, and I absolutely love her solid and fleshy thighs. I imagine those thighs wrapped around my neck as I devour her pussy.

I also loved Janne Hollan's and Roxi Red's appearances in *Ripe Racks* 2. Roxi's breasts are delicious, and I dream of playing with them.

I would like to see more of Elaina Gregory in your pages and in DVDs. She is possibly my favorite V-Girl, and I believe there are likely other readers who feel she is among the

loved her scene in Ripe Racks 2, but this isn't enough to satisfy my desire for more of her. She's a true big-boobed angel with her heavy tits and girlnext-door looks.—Name withheld, Essex, England

best around. I

There are a lot of reasons busty angel Elaina Gregory has been a readers' favorite since 2010.

Nikki Smith (above) is making a lot of fans with her girl-next-door looks, big tits and pink pussy. Roxi Red (below) is one of the bustiest V-Girls ever. She could tit-fuck your forearm!

Siri hasn't been with us for long, but she has already done almost everything. Here, she takes on two studs in a scene from the DVD *Tits on Top 2*.

# V-MAN CAN'T GET ENOUGH OF WATCHING SIRI FUCK

Dear Voluptuous,

Siri is on her way to being one of the greatest V-Girls ever. The shot of her on page 13 of the November '13 issue with a cock in her mouth and another in her pussy has to be the shot of the year. Heck, I could argue it's the shot of the past five years!

Despite being relatively new compared to many of the other girls in V-mag, Siri has seemingly already done it all. She has already won a Newcomer of the Year award as well as an Ass of the Year award, she has posed solo, she's fucked one guy and she's fucked two. The only thing left for her is to win a Model of the Year award and do anal. And, hey, I'm not even that big a fan of anal anyway, so I don't really need that.

And I haven't even talked about

her curves, pretty face and H-cup tits. This chick is ridiculous, and I love her. In a few years, we'll all look back at this time and realize we were witnessing a legend in the making.—T.B., Portland, Oregon

# THIS BOOB LOVER IS A FAN OF FELICIA'S NICE ASS

Dear Voluptuous,

What can I say about the beautiful Felicia Clover? She's my ideal woman: curvy with large, F-cup tits and a big ass, too. Seeing her on the cover of the November '13 issue of V-mag was nothing short of great, and her pictorial was so hot. Reading about her fucks in movie theaters was hot, and I stroked myself to the thought of doing that with her. I also love her nickname, "Whooty," which she says stands for a white girl with a booty. I'm more of a boob man than

an ass man, but I can't imagine a man anywhere who doesn't like a nice, juicy ass. I would worship her ass every day if I could.

I also have a very big thing for red heads, and Felicia is the best I remember seeing in your pages in a long time.—Calvin, via the Internet

Dear Calvin: As you probably know by now, Felicia is one of the favorites for our 2013

Newcomer of the Year award. Also, Felicia is featured in two of our recent DVD releases, Big Assed White Chicks 4 and Tits On Top 2, both available on page nine of this issue. Felicia gets assfucked in

both scenes.

# LOVING SCARLET AND JENNA'S GOTH LOOKS

Dear *Voluptuous*,

My two favorite girls right now are Jenna Valentine and Scarlet LaVey. While most girls are trying to dye their hair platinum blonde or tan until their skin is rubbery, these two beauties are going their own way. Both Scarlet and Jenna have a sexy, gothic look that is a huge turn-on. I love how their

dark hair contrasts with their creamy, milky white skin.

In regards to Scarlet, I love how her tattoos look against her skin, too. These two are the type of girls who will definitely catch your eye when you're walking through the mall. And I haven't even talked about their great tits! I was thoroughly pleased when I saw that Jenna was featured

in the November '13

issue. Seeing her on

already has taken and start doing hardcore scenes.

Jenna has been featured in V-mag for a few years and has yet to take the plunge. Well, I guess I should say, she hasn't allowed a hard dick to be plunged into her tight pussy. Imagine if she finally took that final step in a DVD? I'm sure that release would fly off the shelves. I hope you do whatever you have to do to get her with a dick stuffed deep inside of her tight pussy.—C.J., Toronto, Ontario, Canada

Dear C.J.: Believe us, we've asked. So far, Jenna has declined.

Diane would be the star if we ever published an all-MILF issue.

# DIANE'S RETURN SPARKS HOPE OF A MILF SPECIAL

Dear Voluptuous,

I was leafing through the September '13 issue and thought about how much of a treat it is that Diane Poppos made a very unexpected but very much appreciated return.

Despite being in her 40s, she remains as sexy as ever, and her 38HH tits are every boob man's dream.

Diane's return gave me an interesting idea I hope you will consider. I think V-mag should do an "All MILF" issue featuring the bustiest fan favorites. Every model should be at least 40 years old, and it would have to be their most-recent pictures. I understand this may be hard to do since it would take a while to round all these girls up, but this special

could be part of a long-term plan with the actual MILF issue not coming out for another year or two.

It would be even more of a treat if somehow you could get them to do a shoot in the same place at the same time on-location somewhere like the Bahamas or the Dominican Republic. I'm sure my fellow V-Men would love to see new shots of our old favorites. It would be an issue that everyone would talk about for years.—Rick, Richmond, Virginia

# CHANTAL RAYE IS HIS NEW FAVE EBONY BABE

Dear Voluptuous,

I love your new ebony discovery Chantal Raye (Nov. '13). You guys are great at finding the best and bustiest black girls, girls like Pheona Monroe, Roxi Red, Miosotis and Kristina Milan. I do know that the last two are actually Dominican, but I'm going to go ahead and count them as black girls, too.

Depending on where she goes from here, Chantal Raye may become my favorite. She may not pack the boob power of the girls I mentioned, but she has a beautiful face and smile. And she gave herself sexy self-sucks on page 35 of her pictorial, and if a girl can suck her own boobs, I can live with her not having massive mams like a Roxi Red or Miosotis. Chantal also looks very curvy, something I very much appreciate as a lover of voluptuous women.

I'm anxious to see what is coming

Continued on page 20

Chantal Raye is already fucking in two *Voluptuous* DVDs.

# **V-mag**'s Holiday DVD Roundup

With 24 girls in 24 nutbursting scenes, this fourdisc set satisfies all of your plumper needs. The second installment of this series is the best yet with hours of raunchy action, highlighted by a hot Marilyn Mayson scene. Arianna's Sinn-ful POV fuck leaves her tits creamed. Also, cute, curvy girl-next-door Nikki rides and gags on a stiff dick.

When 18 naturally stacked babes get horny, nothing can keep them from what they crave: throbbing cock. They want it lying down, they want it doggy style and, of course, they want it on top. Highlighted by Siri's first threesome, this DVD will have you dropping cum until your balls are numb.

next for her. I am already a huge fan.–D.B., Bedford Heights, Ohio

Dear D.B.: We're glad you enjoyed Chantal's debut. Chantal has already been in three of our hardcore DVDs. Check out Cocoa Nut Busters 2, Tits & Tugs 9 and Voluptuous Xtra #14 for more of her. She has very hot scenes in those releases, all of which are available on page nine.

# READER THINKS SIRALE IS THE PERFECT CZECH

Dear Voluptuous,

Sirale is such a hottie. I would love to travel to the Czech Republic just to meet a girl like her. She looks so hot with a dick inside of her in the October '13 issue. I have already dropped multiple loads to Sirale's pictorial and look forward to many more since I decided to purchase Tits On Top 2 when I saw that she was featured in it. There are so many hot, busty babes on that DVD that my balls can hardly wait. It seems like all of my favorite girls are featured in it, but I know I will be spending the most time with the lovely, Czech beauty Sirale.-W.T., Miami, Florida

# DROPPING LOADS TO CHARLOTTE'S DEBUT

Dear Voluptuous,

Charlotte's Nov. '13 V-mag and Sept. '13 XL Girls (SP253) debuts were so hot that I can't stop stroking my cock to her lovely layouts.

Charlotte would be the perfect dream wife. It would be great to eat her pussy and nibble on those lips all day. She looked so sexy on page 77 with her huge titties, plump belly and beautiful smile. I especially loved her pink panties pulled over to the side, revealing the most luscious pussy lips I've ever seen.

It's always a pleasure cumming to her photo on page 69 of *XL Girls*. I just love seeing her legs spread so we can examine her juicy cunt. I loved all of her pics from both layouts and can't wait to see more of her sexy body in *V-mag* and *XL Girls*.—Name withheld, Canada

Dear Reader: You can see more of Charlotte right now. Her only video, an exciting, highly jackable solo romp, is online at XLGirls.com.

Newcomer Charlotte (Nov. '13) is a plumper with a lot to love.

# V-MAN'S WIFE SEEKING LINGERIE FOR PLUMPERS

Dear Voluptuous,

My wife and I love a number of your publications and are long-time subscribers. We both enjoy reading *SCORE* and *Leg Sex, too*. We love the photography, but we are very disappointed with only one thing. There are never any advertisements where women can buy plus-size lingerie. And I mean corsets, girdles, garters, bras, etc. for the voluptuous woman.

Here are my wife's measurements: 44JJ-40-44. Yes, she's big, but I love her. She's gorgeous, but she doesn't have much in the way of sexy lingerie. She's very interested but just can't find these items in her size. If you all could point me in the direction of where we can find some of these items, we would greatly appreciate it.—W.C. and C.C., Mount Bethel, Pennsylvania

Dear W.C. and C.C: We're glad you asked about sexy lingerie because we have recently released a line of lingerie for plump women. You can find the ad on page 62 of this issue and you can use the coupon on page nine to order.

# **V-MAG 18 TIMES A YEAR?**

Dear Voluptuous,

Now that all of the big-boob mags are gone except for *V-mag*, *SCORE* and *XL Girls*, it's time for you to fill the void by putting out with more issues. We big-tit lovers have needs.–R.G., Paterson, New Jersey **①**

ing, I keep forgetting. We're happy to have you in our studio. You came here all the way from where? JENNICA: I'm originally from Sweden, but I'm living in the UK. V-MAG: We've had very few big-

a small town in Sweden?

**JENNICA:** I'm from a small town. **V-MAG:** Were you the girl with the biggest boobs in town growing up? JENNICA: Of course I was! [Laughs] I was always the bustiest girl in

**JENNICA:** [*Laughs*] I was a little bit of both. I was mostly good, though. **V-MAG:** In what ways were you a good girl?

**JENNICA:** Well, I always went to school. I was a good girl with the studies. I got good grades.

**V-MAG:** In what ways are you a good girl now?

JENNICA: [Laughs] Well, I don't

know what to say.

**V-MAG:** That's because you're not a good girl. You're a bad girl!

**JENNICA:** [*Laughs*] Yeah, I like to tease the boys. I have these two! [*Jiggles her boobs*]

**V-MAG:** So, not only are your boobs big, but they're probably extremely

heavy, right?

**JENNICA:** Oh, they're very heavy. **V-MAG:** Do you know how heavy

they are?

**JENNICA:** They weigh about five

kilos all together.

**V-MAG:** That is about two and a half pounds to a kilo, right?

JENNICA: Yeah.

they weighed.

**V-MAG:** That's about 11 pounds. Is that for each boob or together?

JENNICA: Together.

**V-MAG:** Jennica, how do you know how much your boobs weigh? **JENNICA:** [Laughs] Because I weighed them! I used the rope from a bath robe to tie them up and used a scale to weigh them. They're heavy, and I was wondering how much

**V-MAG:** So, 11 pounds? That's a lot of boob to be carrying around. **JENNICA:** Yeah, it is.

**V-MAG:** You just might have the most symmetrical big boobs I've

**JENNICA:** I've never thought about that before, but they are very symmetrical.

**V-MAG:** We've had girls with boobs about your size come in, but in most cases, one boob may be a half a cup size bigger than the other. Yours are the exact same size.

**JENNICA:** Yes, and they do fit perfectly in bras.

**V-MAG:** How big are they?

**JENNICA:** M-cups.

**V-MAG:** Is that the British size or the

U.S. size?

**JENNICA:** The U.S. size. In the UK, it would be double-J.

**V-MAG:** How old were you when you were a D-cup for the first time?

JENNICA: I

think I was a D-cup for the first time when I was about 14.

# V-MAG:

How busty were you at 18?

JENNICA: I

think I was around a G-cup. V-MAG: Was

there ever a time when you said to yourself, "Are they ever going

> to stop growing?"

# JENNICA:

[Laughs] Oh yeah, many times! And you never know if they

have stopped growing.

> **V-MAG:** Have they stopped? JENNICA: I don't know. I think they have.

**V-MAG:** Have they grown at

all in the past year?

**JENNICA:** No. They've been the same for about a year. I don't think that's so bad, though.

**V-MAG:** We're not sure if we've ever had an M-cup in here.

**JENNICA:** Never, ever?

**V-MAG:** You may have the biggest boobs I've ever seen, especially on a girl your size.

**JENNICA:** [Laughs] Is that a good thing or a bad thing?

**V-MAG:** It's great. There's nothing bad about you. What kind of a reaction do you get from guys?

**JENNICA:** They stare a lot, but I'm used to attention. I'll be walking down the street and heads will be turning from every direction.

**V-MAG:** Do you encourage it? **JENNICA:** Sometimes I do. If I'm going out and dressing up nicely, then I do enjoy the attention. During those times, I will wear tops that show a lot of cleavage.

**V-MAG:** Can you see your feet when you're standing up?

JENNICA: [Laughs] No. I can't remember the last time I saw my feet while standing up.

**V-MAG:** So when you look down, all you see is boobs. And they probably look even bigger to you than they do to us because of your angle.

**JENNICA:** [Laughs] Yeah, I have a great view!

**V-MAG:** So, if it's summer in the UK and you're out shopping, what would you be wearing?

**JENNICA:** Well, during the summer, I would probably be wearing a pair of shorts and a tank top.

**V-MAG:** With or without a bra? **JENNICA:** With a bra. I always wear a bra when I'm out in public, but I take it off when I get home.

**V-MAG:** How many times in an average day do guys hit on you? **JENNICA:** It depends on what you mean by "hit on."

**V-MAG:** Trying to pick you up. **JENNICA:** Well, it depends on how much I'm out, but I would say about two times per day. But if I'm going out to a club or something, it will be a lot more.

**V-MAG:** So, when you're at a club, guys are constantly hitting on you? JENNICA: Yeah.

V-MAG: It's kinda sad because

One thing we'll never get tired of is curvy babes with big boobs. Which is why we'll never get tired of Gya Roberts. Gya debuted in the December '11 issue of *V-mag* and has been a favorite ever since. When we met her, she was a substitute teacher who dabbled in webcam modeling. Now,

she's rocking this sexy, black, leather dress that would keep every eye on her at a Twisted Sisters glam rock tribute show. With Gya's pendulous HH-cups hanging out of this dress, we almost feel bad for the students who didn't get to see her in class because she's here showing off her curves. *Almost*.

Talk about suction power! Gya says nothing makes her cum harder than when she's sucking on her boob and she, or a friend, is playing with her pussy. "A long time ago, I realized my nipples were really sensitive. I licked my nipples while I touched myself and it was an amazing feeling." Few things are hotter than the lipstick rings around Gya's areola when she's done giving a good, hard suck.

There she goes again, self-sucking her tits! Gya can't seem to keep her mouth off those sucklers. And it's easy to imagine sliding your finger in and out of her fuzzy snatch or your tongue exploring her pussy while she's self-sucking. And if she can do that to her tits, can you imagine what she cock again. We don't even have to fuck. But we can!"

can do to your cock? "I'm a real flirt and tease most of the time," she said. "I like to keep boys on their toes, and that's when I like to get a little naughty." A little? "I'll suck on your cock, then I'll suck on my boobs, then I'll suck your

# BOOB LAW

Every now and then as we happily wade through our mountainous archives of busty babes, we stumble upon a photo set that we either hadn't seen for a while or just forgot was there. This set of Samantha, shot in 2005, falls into that category. Long-time readers will surely remember this blonde, buxom, British beauty. Samantha debuted in the March '00 issue but hasn't graced our pages since Nov. '11. Her return is long overdue.

**Vmag** 

When Samantha isn't modeling-or fucking in DVDs like *Cream My Tits* and *Busty Fucks*—she is a defense lawyer. So Samantha not only has boobs and beauty, she has a pretty good brain, too. "I've represented some dangerous people," she said. "But I have a way to get them off!"

of the TV show Big Brother will soon be seeing a familiar face. Bex Shiner, who starred in Season Nine of the UK version of the hit show, recently visited our studio in Miami, Florida.

"I was a pretty big star for a while," Bex said of her appearance on the show in 2008. "For the longest time after I was evicted, I couldn't go anywhere without being mobbed."

Bex, who was just 21 at the time of her appearance on Big Brother, had been a kindergarten teacher (and a selfdescribed "groupie" and fan of the boy band Hanson). She had, arguably, the most vibrant personality of the original 15 housemates. She was the sixth to be evicted from the house on the 51st day of the contest. Had she made it to the end, she would have won 100,000 pounds, which she says she would

> have spent on driving lessons, holidays and a car that she would have spray-painted pink.

For many "Big Brother" contestants, being evicted means

returning to life as usual. For Bex (who is friends with Linsey Dawn McKenzie and UK porn star Cathy Barry), it meant exploring her naughty side. She is popular on Red Light Central TV in the UK. Now she's primed for her *V-mag* debut. We won't evict

her from our house.

# Bex Shiner Wife wins is in our house Gya's bra... for her hubby!

Bra giveaways are among our favorite ways to connect with readers because they give us a way to bridge the gap between the models we photograph and the readers who love them. That makes this a particularly special occasion because we are proud to announce the winners-yes, plural-of the Gya Roberts autographed bra giveaway from the August '13 issue.

Reader Stacey B. of Texas and her husband sent in entries under separate cover, proving that the couple that loves boobs together, stays together.

"We are subscribers," Stacey said. "I entered to win a good Christmas gift for my husband. He plans to keep it for a keepsake and start a collection. He has been a subscriber for years."

Enjoy your prize, Mr. B.!

# COMING

There isn't a better last name for Lavina than "Dream." Her combination of curves, tits and pretty face are the stuff wet dreams are made of. Lavina is our latest Romanian discovery, and she looks well-suited to follow in the big-titted bra straps of her legendary predecessors such as Arianna Sinn

and Joana. Lavina grew up in a small village near Bucharest, where she was, not surprisingly, the bustiest girl in town. Although this is her first time modeling, she is used to her looks drawing attention. "People—men—are always looking at my breasts," she said. "I like that they stare."

Lavina was a late-bloomer of sorts. Her boobs didn't begin to develop until she was about 16 years old. Once she did bloom, her confidence soared. "I was very shy," Lavina said. "As a kid, I would just go to school and go home. I'm much more outgoing now. When I was younger, I never would have dreamed of showing off my body like this in a magazine."

In her free time, Lavina likes to go to the movies, read, play music and go out with friends to pubs and clubs. "I want to visit a lot of countries, travel by cruise ship, and one day, I hope to open my own massage salon," she said. It's surprising to hear her say she doesn't have sex often. "I probably have sex once every one or two weeks," she said. "I love having sex, but I don't do it as often as I would like." Perhaps some men are intimidated about approaching a babe like Lavina. But the men who do work up the courage to talk to her can be humorous. "One guy asked if he could sleep on my boobs." That sounds to us like a night of sweet dreams.

Reader favorite Jolie is one of those girls who always keeps you on your toes, and not just because she's a sexy redhead with curves that don't quit. Jolie confesses to having been a shy tomboy growing up, which you would never guess because she's so bubbly and perky when you meet her. She also spent four years in the military and regularly practices martial arts and shooting. As you can tell, there's more to her than meets the eye.

Jolie's boobs began to develop in middle school, and in high school, she started noticing that she was getting a lot of attention from boys. "Guys would check me out, but I had no clue," she said. "I wasn't sexually active yet, and I definitely didn't dress to show off my body. Not yet."

Today, Jolie is a selfdescribed pervert in a woman's body. "I love to play with myself," she said. "I love to flaunt my boobs because I can get a reaction from girls and guys. I love going to girls and saying, 'Wow, you have great boobs. Do you want to see mine?' And their boyfriends are like, 'Oh, my god, did she really say that?' By the end of the night, we'll be playing with each other's boobs in the bar." This is why we love Jolie. If she's being helpful, she can fix your computer. If she's horny, she'll give you the fuck of your life. Or both. And that's fun.

you're so pretty, but your boobs are so big that guys may not even give your face enough attention. Do you ever have to tell a guy to look up at your face and not your tits?

**JENNICA:** [Laughs] Yeah, like all the time. A lot of the time, guys will be talking to my boobs and not my face. I have to say to them, "Hey, you. I'm up here!"

**V-MAG:** What are these guys saying to your boobs?

JENNICA: Well, they're talking to me, but they're looking at my boobs. But I've had guys ask to touch them.

**V-MAG:** What do you say?

JENNICA: [Laughs] No, because I'm a good girl.

**V-MAG:** Oh, so that's how you're a good girl! So, if a guy comes up to you at a club, how should he approach you if we wants to get to know you? **JENNICA:** Well, we can small talk a little bit first and get to know each other. Maybe buy me a drink and have a few laughs together. You've done a great job if you've done that. Then maybe you'll get lucky. Not right away. I don't sleep with guys I've just met. But at least we're off on the right foot.

**V-MAG:** Do you let a guy know when you're interested, or do you play hard to get?

JENNICA: It depends if I'm interested. I may tease him a bit if I'm not, but that won't go anywhere.

**V-MAG:** Do you like to dance?

**JENNICA:** Yeah, I love to dance, but I don't get to do it that often.

**V-MAG:** Do you like to stay home or

**JENNICA:** A little bit of both. Sometimes I may be out a lot and other times I may not be out for months at a time. It just depends on my mood. In the summer, I tend to be out more.

V-MAG: You know, your voice kind of moves between two accents sometimes. I can hear a bit of a Swedish accent, but there's also a little British in there, too.

**JENNICA:** Well, I live in the UK now, so I might be picking up a little bit of the English accent.

**V-MAG:** Being from Sweden, you speak both Swedish and English?

Here's Krystal, back for her first appearance in *V-mag* since the Holiday '12 issue. This Czech babe has the pretty face, curves and righteous F-cup tits that drive V-Men insane. In this pictorial, Krystal is sporting a retro, 1940s-inspired outfit that has us wishing we could hop into a hot tub time

machine with her. If we could ever pry ourselves out of spending all day in that hot tub with Krystal, we would take her out dancing. She would definitely be the hottest, bustiest girl wherever we took her. But when we ended the night doing the jitterbug, it wouldn't be on the dance floor.

**JENNICA:** Yes, I'm fluent in both.

**V-MAG:** Going back to your boobs, when a guy is talking to you, he should look into your eyes and not at your boobs, right?

**JENNICA:** Yes, looking into my eyes is always a good thing.

**V-MAG:** What color are your eyes? **JENNICA:** They're blue. I'm a Swede! **V-MAG:** Yes, you are a Swede, but you're not blonde.

**JENNICA:** No, I'm not blonde. Blonde Swedes is a myth.

**V-MAG:** Most Swedes don't have blonde hair?

**JENNICA:** I'd say it's 50-50. Of course, we do have a lot of blondes, but it's not as many as people think.

**V-MAG:** Of course, most Swedish women don't have huge boobs, either. **JENNICA:** No, but a lot of people think they do. When I first moved to the UK, the guys would tell me how all the girls from Sweden have giant boobs, but I think UK girls are a lot bustier than the girls back home.

**V-MAG:** It's funny that people say that about Swedish girls because, like I said, we've had so few Swedish girls with big boobs in *V-mag*.

**JENNICA:** There aren't many. They don't even make bras for us girls with big boobs. I'm unusual.

**V-MAG:** Where did you find bras when you were in Sweden?

**JENNICA:** I couldn't find any bras that were my size, so I just had to find what I could and make it work.

**V-MAG:** How did you do that?

**JENNICA:** Well, you've just got to tuck your boobs in. And try to push them up a bit. It can be hard work.

**V-MAG:** But then you went to the UK, and now you can buy bras off the rack, right?

**JENNICA:** Yes, I can. They have stores where I can actually buy bras that fit off the rack.

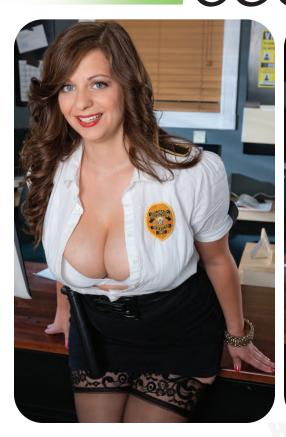

**V-MAG:** How many bras do you own at one time?

**JENNICA:** Oh, probably about 20 or something like that.

**V-MAG:** Do they wear out quickly? **JENNICA:** Yes. My boobs are heavy, so it's a lot of pressure on the straps. I have to change them a lot.

If the security guards at school looked like new discovery Jessica Roberts when we were growing up, we would have gotten into a lot more trouble. We all would've suffered through a call home to the parents or getting written up for truancy if it meant a quick peek at her F-cup tits as they poured out of her overmatched top. Jessica is a sweet girlnext-door from Illinois. She says she was a tomboy growing up, which makes her look even hotter in this uniform because we know she likes to get rough. "I love sports. I played basketball in high school, and I love to go swimming. I'm a pretty active girl."

Jessica's tits began developing at age 10, and she wore a C-cup bra by sixth grade. Because she was a tomboy who spent a lot of time hanging out with boys, this created some problems. "In high school, all the boys loved me and all the girls hated me. But I was a good girl. I got good grades. Of course, guys always stared."

Jessica grew up to be a naughty girl who's doing naughty things with boys at *SCORELAND*. She says she doesn't masturbate because she prefers to save up her sexual energy for the real thing. What satisfies her most? "A big, hard dick inside of my pussy," she said. "Honestly, I don't think there's anything better."

**JENNICA:** Yeah. [Laughs] Once I was out with friends, and I was about to stand up and I did something funny, and the right strap just popped off.

**V-MAG:** Did your boob pop out? **JENNICA:** Almost. It was like having a boobie on the loose! [Laughs]

**V-MAG:** Did they ever capture it? **JENNICA:** [Laughs] I don't think so. I was quite quick to put it back in place. I ran into the bathroom to fix it. I made it work.

V-MAG: Jennica, let's get some of your vital details. How old are you? **JENNICA:** I am 26 years old.

**V-MAG:** How long have you lived in the UK?

**JENNICA:** About four years.

**V-MAG:** What brought a young, busty girl from Sweden to the UK? **JENNICA:** I thought it would be a fun experience. I went there as part of a work experience course. I was supposed to work and study at the same time for a few weeks. I loved it so much that I stayed.

**V-MAG:** So, you were on a workstudy program and you were studying how to be a webcam model?

JENNICA: [Laughs] No, I was studying English, actually.

V-MAG: Do you mean teaching English? Your English seems pretty good to me.

**JENNICA:** No, I mean learning how to speak proper English. I didn't need to attend those classes too often.

V-MAG: So, you decided to stay in England. Then what happened?

JENNICA: Well, I moved around to different types of jobs. I worked as a shop assistant for a while. I worked in hotels for quite a while, and then I ended up as a webcam model.

**V-MAG:** What made you want to be a webcam model?

**JENNICA:** The girls just looked so pretty on there. The other thing was that I just have the boobs for it. I think they work really well for me. You have to use your assets!

**V-MAG:** We agree with that. The interesting thing is that this is where the bad girl part comes in. You had to have seen these webcam models before you decided you wanted to be

one. You were watching them!

JENNICA: [Laughs] Kind of. That's almost true. I noticed ads online from people looking for webcam girls, and I decided to look at it because I always thought it was interesting. I wasn't quite sure if it was for me, so I went online and looked at a few different cam sites and what they were up to. I also read some articles about it, so I just thought I should try it. And I absolutely love it.

**V-MAG:** Why do you love it so much? **JENNICA:** It's fun! And I get to meet people from all over the world. It's fun to talk to so many different people. Of course, there's the naughty side, too. I found out that I'm a bit of an exhibitionist.

**V-MAG:** What's the most-frequent request you get from guys?

**JENNICA:** Probably to show my boobs. Even if they've seen them a hundred times, the same people still ask me to show them.

**V-MAG:** Well, we'd never get tired of that. So, this is actually your first time shooting in front of a photographer's camera and doing a shoot, right?

**JENNICA:** First time ever. It's been lovely. I really love it.

**V-MAG:** And next, you're going to beautiful Eleuthera in the Bahamas to take more photos for us.

**JENNICA:** Yes, I'm so excited. I can't wait to do that.

**V-MAG:** Have you ever been to the islands?

**JENNICA:** No, never, so I'm really looking forward to it. I've heard how beautiful it is there.

**V-MAG:** Are you going to run around naked on the beach?

**JENNICA:** I'd love to if they let me.

**V-MAG:** Have you?

**JENNICA:** No, but I want to.

**V-MAG:** What else do you want to

do? You're young.

**JENNICA:** I'd love to take dance lessons. I'd love to look awesome on the dance floor, not just because of my boobs but how I dance.

**V-MAG:** And sexually?

**JENNICA:** Nothing wild. I love having my pussy eaten. I get turned on by giving blow jobs, too.

**V-MAG:** Now that's what we like to hear! Well, Jennica, it was great to have you here in our studios. Thanks for being here.

**JENNICA:** Thank you so much! I hope all the guys like my pictures!

"When I want it, I want it." That's what Brittany told us when she debuted last issue. She was serious because as soon as she was finished with her solo shots, Brittany was ready for cock. So here she is. She needs to loosen up after

a long day, so Tony–an experienced cocksman who fucked Chloe Vevrier back in the late '90s–starts by massaging Brittany's ass and tits. Soon, he's sucking on one nipple and tweaking the other. She wanted it. She's getting it.

Brittany's 36FF tits are prime for tit-fucking and Tony realizes this quickly. He hops on top of the massage bed and slaps his cock snugly between her boobs. "Oh, that's so hot," Brittany says as he fucks her soft cleavage. Brittany is a sweet California girl, who likes to be generous, so when Tony hops off the bed, she lustily sucks on his cock, going down deeper with every suck. "Oh, yeah," Tony says each time her hungry tongue moves up and down his stiff shaft. "Suck that cock. Suck it good." Before long, Brittany is craving cock and having her pink slit filled by Tony's stiff dick. Brittany hops on his cock, eager to get the hard fucking she has been craving all day.

Brittany is the quiet type, but once she gets warmed up with a cock in her pussy, she stops being quiet. After getting her pussy banged from the side and doggy style and riding Tony's stallion-sized schlong, Brittany takes a hot and sticky cum shot to her face. And her day, like this issue, comes to a very happy ending.
